PENNSYLVANIA  
INTRASTATE MESSAGE TELECOMMUNICATIONS SERVICE

1. General

1.1 Application of Tariff

- A. This tariff contains the regulations and rates applicable to the provision of Intrastate Message Telecommunications Service and Intrastate Operator Services, hereinafter referred to as "Service", by CornerStone Telephone Company, LLC, hereafter referred to as the "Company", from its points of presence in the State of Pennsylvania to domestic points, as specified herein. Service is furnished subject to the availability of facilities and subject to transmission, atmospheric and like conditions.
- B. The provision of such Service by the Company as set forth in this Tariff does not constitute a joint undertaking with the Customer for the furnishing of any Service.

1.2 Definitions

Certain terms used throughout this Tariff are defined as follows:

A. Access Code

A sequence of numbers that, when dialed, connect the caller to the Provider or Operator Services associated with that sequence.

1.2 Definitions (cont'd)

B. Aggregator

Any person that, in the ordinary course of its operations, makes telephones available to the public or to transient users of its premises, for intrastate telephone calls using a Provider of Operator Services.

C. Application for Service

A standard order form that includes all pertinent billing, technical, and other descriptive information that will enable the Company to provide the Service as required.

D. Authorization Code

A numerical code, one or more of which may be assigned to a Customer to enable the Company to identify the origin of the user or individual users or groups of users on one account so that the Company may rate and bill the call.

INTRASTATE MESSAGE TELECOMMUNICATIONS SERVICE

1. General (cont'd)

1.2 Definitions (cont'd)

E. Billed Party

The person or entity responsible for payment of the Company's service for an Operator Assisted Call, as follows:

- (1) in the case of a Room Charge call, the Subscriber;
- (2) in the case of a Calling Card or Credit Card call, the holder of the calling card or credit card used by the consumer; and
- (3) in the case of a Collect or Third Party call, the person responsible for the local telephone service at the telephone number that agrees to accept charges for the call.

F. Call Splashing

The transfer of a telephone call from one provider of operator services to another such provider in such a manner that the subsequent provider is unable or unwilling to determine the location of the origination of the call and, because of such inability or unwillingness, is prevented from billing the call on the basis of such location.

G. Commission

The Pennsylvania Public Utilities Commission.

2. Rules and Regulations

2.1 Undertaking of the Company

A. Scope

The Company is a carrier providing intrastate domestic communications services to Customers for their direct transmission of voice, data and other types of telecommunications within the United States as described in this Tariff.

B. Limitations

1. The services provided pursuant to this tariff are offered subject to the availability of facilities and the other provisions of this Tariff.
2. The Company does not undertake to transmit communications or messages, but rather furnishes facilities, Service and equipment for such transmissions by the Customer.
3. The Company retains the right to deny Service to any Customer which fails to comply with the rules and regulations of this Tariff, or other applicable rules, regulations or laws.

2. Rules and Regulations (cont'd)

2.2 Obligations of the Customer

- A. All Customers assume general responsibilities in connection with the provision and use of the Company's Service. General responsibilities are described in this section. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the Customer assumes the additional responsibilities as set forth in Section 2.2, herein.
- B. The Customer is responsible for the payment of all charges for any and all Services or facilities provided by the Company to the Customer.
- C. Subject to availability, the Customer may use specific codes to identify the users groups on its account and to allocate the cost of its service accordingly. The numerical composition of such codes shall be set forth by the Company to assure compatibility with the Company's accounting and automation systems and to avoid duplication of such specific codes.
- D. The Company reserves the right to discontinue the use of any code provided to the Customer and to substitute another code for such Customer's use.
- E. The Customer shall indemnify and save harmless the Company from and against all loss, liability, damage and expense, including reasonable counsel fees, due to claims for libel, slander, or infringement of copyright or trademark in connection with any material transmitted by the Customer using the Company's Services; and any other claim resulting from any act or omission of the Customer to the use of the Company's facilities.

2. Rules and Regulations (cont'd)

2.2 Obligations of the Customer (cont'd)

- F. Nothing contained herein, or in any other provision of this Tariff, or in any marketing materials issued by the Company shall give any Customer or person any ownership interest or proprietary right in any particular code issued by Company; provided, however, that a Customer that continues to subscribe to Company's Services will be provided a replacement code in the event such Customer's initial code is canceled.
- G. The Customer shall reimburse the Company for damages to the Company's facilities caused by any negligence or willful act or acts on the part of the Customer.
- H. The Customer shall pay and hold the Company harmless from the payment of all charges for service ordered by the Customer from the Local Exchange Carriers or other entities for telecommunications services and/or facilities connecting the Customer and the Company.

2. Rules and Regulations (cont'd)

2.2 Obligations of the Customer (cont'd)

- I. In the event a suit is brought by the Company, or an attorney is retained by the Company to collect any bill or enforce the terms of this Tariff against a Customer, that Customer shall be responsible for payment of all reasonable attorney's fees, court costs, costs of investigation and any and all other related costs and expenses incurred by the Company in connection therewith pursuant to court order.
- J. The Customer understands that the Services are furnished subject to the condition that there will be no abuse, fraudulent and/or illegal use thereof. Such activity includes, but is not limited to:
1. Using the Service for any purpose which is in violation of any law.
  2. Obtaining or attempting to obtain Services through any scheme, false representation and/or use of any fraudulent means or devices whatsoever with the intent to avoid payment, in whole or in part, of charges for Services, or assisting any other person or firm in such regard.
  3. Attempting to, or actually obtaining, accessing, altering, or interfering with the communications and/or information by rearranging, tampering with or making any connection with any facilities of the Company or assisting any other person or firm in such regard.

2.5 Charges and Payments for Service or Facilities

A. Deposits

1. The Company may, in order to safeguard its interests, require a Customer to make a suitable deposit or provide a surety bond or letter of credit in the amount of the required deposit as a guarantee of the payment of charges. The Company shall have the right to require the Customer to make a deposit prior to or at any time after provision of any Service, not to exceed three (3) months' estimated charges. The Company may increase the amount of the deposit to reflect increases to the Customer's annual bill. The Customer will receive a receipt for the deposit.
2. Any deposit referred to in this Section shall be held by the Company to secure the payment of the Customer's bill. At the Company's option, the deposit may be refunded or credited to the Customer at any time prior to the termination of Service.
3. Interest will be paid by the Company on all sums held on deposit at the rate established annually by the Pennsylvania State Public Utility Commission for customer deposits. The interest will be accrued for the period during which the deposit is held by the Company.

2.5 Charges and Payments for Service or Facilities (cont'd)

A. Deposits (cont'd)

4. The fact that a deposit is made does not relieve the customer from making advance payments or from complying with the company's regulations for the payment of bills in accordance with the terms herein and does not constitute a waiver or modification of the regulations of the Company providing for the discontinuance of Service for nonpayment of any sums due the Company for Service rendered.
5. Upon termination of Service, and assuming deposits of the Customer are not applied as indicated in Section 2.5.A.2., the deposit will be credited to the Customer's account and any credit balance will be refunded after all amounts due the Company have been paid.

B. Description of Payment and Billing Periods

1. Service is provided and billed on a monthly basis. Service continues to be provided and billed on a monthly basis until canceled by the Customer through notice given to the Company.

B. Description of Payment and Billing Periods (cont'd)

2. When billing functions are performed by a Local Exchange Carrier (LEC), commercial credit card company or others, the payment conditions and requirements of such LECs apply, including any applicable interest.
3. In the event a Local Exchange Carrier, commercial credit card company or others ceases efforts to collect any amounts associated with the Company's charges, the Company may bill the Customer or the called party directly, and may utilize its own billing and collection procedures which shall be consistent with all applicable statutes, rules and regulations.

C. Taxes

1. Sales tax is covered by state statute and other applicable taxes may be covered by state or federal statutes. Such taxes may be included on Customer bills in accordance with any applicable rules of the state or federal regulatory authority.

2. In addition to all recurring, non-recurring, minimum usage, surcharges or special charges, the Customer identified in this Tariff shall also be responsible for and shall pay all applicable federal, state and local taxes or surcharges, including sales, use, excise, gross earnings, and gross income taxes. All such taxes shall be separately shown and charged on bills rendered by Company or its billing agent. Sales and use taxes shall be applied to all charges and shall also be applied to all applicable gross earnings, gross revenue and gross income taxes.

D. Payment and Late Payment Charge

1. Payment will be due as specified on the Customer bill. Commencing after that due date, a late charge of 1.5% will be applied to all amounts past due to which it has not previously been applied.
2. Collection procedures and the requirement for a deposit, if specified in Section 2.5.A, are unaffected by the application of a late payment charge. The late payment charge does not apply to unpaid balances associated with disputed amounts. Undisputed amounts on the same bill are subject to the late payment charge if unpaid and carried forward to the next bill.

## 2. Rules and Regulations (cont'd)

2.5 Charges and Payments for Service or Facilities (cont'd)G. Credit Allowances/Service Interruptions

1. Credit for failure of Service will be allowed only when failure is caused by or occurs in the Company's facilities or equipment owned, provided and billed for by the Company. A credit allowance is applicable for any period during which Customer cannot utilize the Service, except for such period where the Service is interrupted by the Company for access to its facilities for the purposes of investigating and clearing troubles and/or maintenance.
2. Credit allowances for failure of Service or equipment starts when the Customer notifies the Company of the failure and ceases when the operation has been restored and an attempt has been made to notify the Customer by the Company.
3. The Customer shall notify the Company of failures of Service or equipment and make reasonable attempts to ascertain that the failure is not caused by Customer Provided Equipment or Customer provided facilities, any act, or omission of the Customer, or in wiring or equipment connected to the Customer's terminal.
4. Only those portions of the Service or equipment operation disabled will be credited.

5. Any credit provided to the Customer under this Tariff shall be determined in accordance with the provisions of Section 2.5.H.

H. Service Interruption Measurement

1. In the event of an interruption of Service that exceeds the minimum requirements set forth in this paragraph, the Company shall make a credit allowance at the Customer's request for a pro rata adjustment of all Service charges billed by the Company for Services rendered inoperative by the interruption. The credit allowance will be computed by dividing the duration of the service interruption measured in twenty-four (24) hour days, from the time the interruption is reported to the Company, by a standard thirty (30) day month, and then multiplying the result by the Company's fixed monthly charges for each interrupted Service.

A period of time less than twenty-four (24) hours shall not be credited, but an additional period of twelve (12) hours or more shall be considered an additional day. In no case shall the credit exceed the total monthly charges. No adjustments will be made for periods of noncontinuous interruptions, and no other liability shall attach to the Company in consideration of such interruption to Service.

2.7 Special Services

A. General

For the purpose of this Tariff, Special Service Arrangements are deemed to be any Service requested by the Customer and provided by the Company for which there is no prescribed rate in this Tariff. Special Service Arrangement charges will be developed on an individual case basis (ICB) and may be established by contract between the Company and the Customer. Such contract or Tariffed rate will be filed with the Commission.

B. When Applicable

Special Services rates apply in the following circumstances:

1. If at the request of the Customer, the Company obtains facilities not normally used by the Company to provide Service to its Customer;
2. If at the request of the Customer, the Company provides technical assistance not normally required to provide Service;
3. Where special signaling, conditioning, equipment, or other features are required to make Customer Provided Equipment compatible with the Company's Service;

2.7 Special Services (cont'd)B. When Applicable (cont'd)

4. When, at the specific request of the Customer, installation by the Company or its agent and/or routine maintenance is performed outside of the regular business hours.
5. If installation and/or routine maintenance is extended beyond normal business hours at the request of the Customer and these circumstances are not the fault of the Company, Special Service charges may apply. Such circumstances include, but are not limited to, stand-by in excess of one-hour, weekend, holiday or night time cut-over, and additional installation testing in excess of the normal testing required to provide Service.

C. Cancellation

If a Customer orders Service requiring special facilities dedicated to the Customer's use and then cancels its order before the Service begins, before completion of any minimum Service periods associated with such special facilities ordered by the Company or before completion of some other period mutually agreed upon by the Customer and the Company, a charge will be made to the Customer for the nonrecoverable portions of expenditures or liabilities incurred expressly on behalf of the Customer by the Company and not fully reimbursed by installation and monthly charges. If, based on such an order, any construction has either begun or been completed, but no such Service provided, the nonrecoverable cost of such construction shall be borne by the Customer.

2.9 Special Construction

All rates and charges quoted in this Tariff provide for the furnishing of a Service when suitable facilities are available or where the construction of the necessary facilities does not involve unusual costs. When the revenue to be derived from the Service does not warrant the Company assuming the unusual costs of providing the necessary construction, the Customer may be required to pay all or a portion of such costs and to contract for the service for a sufficient period to warrant the construction, depending upon the circumstances in each case. The Company's charges for such special construction shall follow the same guidelines for establishing charges for Special Services as described in Section 2.8 of this Tariff.

2.10 Inspection, Testing and Adjustment

- A. The Company may, upon reasonable notice, make such tests and inspections as may be necessary to investigate the installation, operation or maintenance of the Customer's or the Company's equipment or connecting facilities. The Company may interrupt Service at any time, without penalty or liability to itself, where necessary to prevent improper use of Service, equipment, facilities, or connections.
- B. Upon reasonable notice, the facilities and equipment provided by the Company shall be made available to the Company for such tests and adjustments as may be necessary for its maintenance in a condition satisfactory to the Company. No interruption allowance will be granted for the time during which such tests and adjustments are made, unless such interruption exceeds twenty-four (24) hours in length.

INTRASTATE MESSAGE TELECOMMUNICATIONS SERVICE****3. General Classification and Description of the Company's Service (cont'd)****3.3 Timing of Calls**

- A. Unless otherwise indicated in this Tariff, calls are timed by the Company in six (6) second increments unless otherwise stipulated by the Company in this Tariff. "Ring-busy" and "ring-no-answer" calls will not knowingly be charged to the Customer and if charged in error, will be credited by the Company to the Customer. Timing begins at the "starting event" and ends at the "terminating event," unless otherwise specified. Time between the starting event and the terminating event is the call duration. The minimum call duration for a completed call is six (6) seconds, unless otherwise specified.
- B. The starting event occurs when the Company's terminal experiences an "Incoming Signaling Protocol Successful," i.e., upon the seizure of an inbound trunk.
- C. The terminating event occurs when the Company's terminal receives a signal from the Local Exchange Carrier that either the calling party or the called party has hung up.
- D. There shall be no charge for unanswered calls. Upon receiving reasonable and adequate notice of billing from a Customer for any such call, the Company may issue a credit in an amount equal to the charge for the call. Calls which are in progress longer than one minute will be presumed to have been answered.

3.3 Timing of Calls (cont'd)

- E. Domestic Message Telecommunications Service rates are quoted in terms of initial and additional minutes. The initial minute is the first minute or any fraction thereof after connection is made. The additional minute is each minute or any fraction thereof after the initial minute.
- F. The time of day at the calling party rate center determines what Time-of-Day rate period applies.

3.4 Computation of Distance

- A. All calls are rated on the basis of airline mileage locations of the caller and the called party, regardless of the call's routing.
- B. Airline mileage is obtained by using the "V" and "H" coordinates assigned to each point. To determine the airlines distance between any two cities, the airline mileage is determined as follows:
  - 1. Obtain the "V" and "H" coordinates for each city.
  - 2. Obtain the difference between the "V" coordinates of each of the cities. Obtain the difference between the "H" coordinates.
  - 3. Square each difference obtained in step 2, above.
  - 4. Add the square of the "V" difference and the "H" difference obtained in step 3, above.

6. Obtain the square root of the whole number obtained in step 5 above. Round to the next higher whole number if any fraction is obtained. This is the airline mileage.

3.5 Method of Applying Rates

- A. Calls that begin in one rate period and terminate in another will be billed for the entire call duration at the rate applicable at the commencement of the call.
- B. Unless specified otherwise in this Tariff, the duration of each call for billing purposes will be rounded off to the nearest higher minute.

3.6 Promotional Discounts

The Company may from time to time offer promotional discounts. Such discounts will be for a specified period of time, will not exceed published rates, and will be offered to all qualifying Customers on a non-discriminatory basis, under any rules prescribed by the Commission. 800 Service is a one-way inbound service originating on feature group facilities provided by the Company and terminating on a regular telephone line. The Customer is responsible for payment of all charges associated with such terminating calls terminated rather than the calling party. References to "800" or "1-800" are generalized to refer to any NPA that may be nationally recognized as toll-free to the calling party. Such NPA's include, but are not limited to 800 and 888.

3.10 Automatic Number Identification

The Carrier will provide Automatic Number Identification ("ANI") associated with its 800 Service, to any entity ("ANI recipient"), only under the following terms and conditions:

- A. The ANI recipient or its designated billing agent may use or transmit ANI information to third parties for billing and collection, routing, screening, enduring network performance, and completion of a telephone subscriber's call or transaction, or for performing a service directly related to the telephone subscriber's original call or transaction.
- B. The ANI recipient may offer to any telephone subscriber with whom the ANI recipient has an established customer relationship, a product or service that is directly related to products or services previously purchased by the telephone subscriber from the ANI recipient.

I. Residential Calling Plan

The Residential Calling Plan ("RCP") is a direct dialed outbound long distance service offered to single line residential Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. The Plan provides the Customer with interexchange intrastate long distance usage for a flat rate monthly charge.

1. This service is only offered in conjunction with the corresponding interstate RCP plan. An additional monthly service charge will apply for the corresponding interstate service. This service is not offered on an intraLATA only basis.
2. Subscribers to this plan must also subscribe to the Company's Residential flat rate plan contained in Section 6.2 of its local exchange tariff.
3. Customers must presubscribe to the Company for both intraLATA and interLATA long distance service.
4. By participating in the plan, the Customer elects to place a Primary Interexchange Carrier (PIC) freeze on their line to the Company-designated PIC.
5. This plan cannot be used for placing interLATA or intraLATA calls to on-line services or Internet access services or for any commercial use, for any use inconsistent with residential service, or for any services that do not involve a person-to-person conversation or voice messages.

6. Customer lines associated with educational institutions, (colleges, universities, etc.) are not eligible for this plan.
7. Plan usage does not include multi-party conference calls, calls to 900 numbers, directory assistance, calling card, operator services, international calling and toll free calling services.
8. This plan is not available to Customers with variable call forwarding, preferred call forwarding, or remote access to call forwarding features on the local line.
9. This plan is not available for resale.
10. If the Company determines that usage is not consistent with typical Residential Customer usage, the Customer will be offered an alternative plan at the Company's sole discretion.

For the purposes of this plan, total usage that exceeds the Cap Amount to eligible locations shall not be deemed typical usage.

11. Subscribers to the RCP must pay for service automatically on an ACH or credit card basis. Subscribers who require monthly paper invoices and do not pay for services through automated bill payment are not eligible for the plan. Customers whose auto-payment or credit card charge fails to approve are no longer eligible for the plan.
